

SHORELINE

PERIODONTICS & DENTAL IMPLANTS

Gregory A. Toback DMD MS • Marianne M. Urbanski DMD MScD
Daniel Rolotti DMD MDSc • Lavanya Rajendran DMD MDSc

WELCOME

Lavanya Rajendran DMD MDSc

Drs. Toback, Urbanski, and Rolotti are excited to introduce the addition of Dr. Lavanya Rajendran to our team of periodontal professionals.

Dr. Rajendran earned her Doctor of Dental Medicine from the Western University of Health Sciences College of Dental Medicine (2018), making the Dean's List all four years. While at Western University she also received the Southern California Academy of Oral Pathology Award for Excellence in Pathology (2018). Dr. Rajendran continued on to the University of Connecticut School of Dental Medicine where she achieved her Certificate in Periodontics and Masters of Dental Sciences (2021).

Dr. Rajendran finds purpose in helping to shape and cultivate the next generation of Periodontists, which lead her to join the University of Connecticut School of Dental Medicine as a Clinical Faculty member. Dr. Rajendran also contributed to a key online publication focused on Alveolar Ridge Preservation for Optimal Implant Placement. She is a Diplomate of the American Board of Periodontology and is also a member of the American Academy of Periodontology, the American Dental Association, and the Connecticut State Dental Association.

Dr. Rajendran has a passion for treating people, not just teeth. She enjoys getting to know her patients on a personal level and working with them so they understand their diagnosis and treatment options, allowing them to ultimately make an informed decision about their care.

Dr. Rajendran grew up in Cheshire, CT and is excited to continue her career in Connecticut. We are eager to introduce you to Dr. Lavanya Rajendran as she joins our team starting September 6, 2022!
